ABOUT

CAIJETS, INC.

CAI leverages over 40+ years of expertise to successfully complete numerous corporate jet and turboprop aircraft transactions. Our specialization encompasses single-engine turboprops like the TBM, Pilatus PC-12, and Piper Meridian, light jets including the Cessna Citation jets like the CJ1/CJ2/CJ3, the Phenom 100/100E/100EV, midsize jets such as the Hawker 800XP/900XP, Challenger 350/650 and large jets such as the Bombardier Global 6000/7500.

Moreover, at CAI, our primary focus is on empowering our clients with the essential information needed to make well-informed decisions that align with their mission profile, preventing potentially expensive mistakes. We also facilitate services like pilot training, insurance, and financing to streamline your aircraft acquisition process.

We cordially invite you to reach out to us for a discussion regarding your unique aircraft requirements.
