## About CORPORATE AIRSEARCH INTERNATIONAL

CAI has used over 30 years of experience to complete hundreds of corporate jet and turboprop aircraft transactions. We specialize in Single Engine Turboprops such as the TBM, Pilatus PC-12 and Piper Meridian, and Light Jets such as the Citation, Learjet and Phenom. In addition, CAI is focused on providing our clients with the information they require to determine which Aircraft best meets their mission profile – avoiding costly mistakes. CAI also arranges Pilot Training, Insurance, and Financing. We invite you to give us a call to discuss your individual aircraft needs.
