ABOUT  
CAI JETS

CAI leverages over 40+ years of expertise to successfully complete numerous corporate jet and turboprop aircraft transactions. Our specialization encompasses single-engine turboprops like the TBM, Pilatus PC-12, and Piper Meridian,

light jets including the Cessna Citation jets like the CJ1/CJ2/CJ3, the Phenom 100/100E/100EV, midsize jets such as the Hawker 800XP/900XP, Challenger 350/650 and large jets such as the Bombardier Global 6000/7500.

Moreover, at CAI, our primary focus is on empowering our clients with the essential information needed to make well-informed decisions that align with their mission profile, preventing potentially expensive mistakes. We also facilitate services like pilot training, insurance, and financing to streamline your aircraft acquisition process.

*We cordially invite you to reach out to us for a discussion regarding your unique aircraft requirements.*
